Dear Monica Vallejo,

Your school has earned a place on the College Board's AP[®] School Honor Roll for the 2022-23 school year! On behalf of everyone in the AP community, congratulations to you and your colleagues.

The AP School Honor Roll recognizes schools that have done outstanding work to welcome more students into AP courses and support them on the path to college success.

Research shows students who take AP courses and exams are more likely to attend college and graduate on time. The students who enter four-year colleges with credit from AP accelerate their path to graduation and build confidence for college success. And even for those who don't earn college credit, AP coursework provides early exposure to college-level work and contributes to a college-going school culture.

We know it takes a significant schoolwide effort—dedication from teachers, counselors, administrators, students, and parents—to make AP access a priority. We join you in celebrating this inspiring achievement for your community. Again, congratulations! I'm inspired by your commitment and grateful for the chance to honor your success.

Sincerely,
Trevor Packer
