

Community Navigator Program

Resources are available for businesses struggling due to the COVID pandemic. Your business may be eligible for local, state, and federal relief funds.

A project of the U.S. Small Business Administration (SBA), the [Community Navigator Program](#) can also offer you links to financial and technical assistance to build and grow your business.

Contact us today to receive counseling on available relief funds, application and navigation assistance, and training and technical support to help overcome business challenges.
