

Foster City Dental Practice Seeking a Skilled and Personable Endodontist

We are a growing, modern dental practice in the Foster City seeking a skilled and personable **Endodontist** to join our team on a **part-time basis (1 day/month to start)**.

This is an excellent opportunity to work in a supportive, high-quality environment with strong internal referrals and room to grow.

What we offer:

- Consistent patient flow from established GP practice
- Competitive compensation: **50-55% of production or daily guarantee (DOE)**
- Modern technology (CBCT, digital workflow)
- Friendly, collaborative team and efficient systems
- Flexibility to expand days as volume grows

What we're looking for:

- DDS/DMD with completion of an accredited Endodontic program
- Strong clinical skills and patient-centered approach
- Excellent communication and professionalism
- Ability to work independently and integrate with our team

If you're looking for a flexible, well-supported opportunity with growth potential, we'd love to connect.

 Please send your CV and availability to drzhang@baystardental.com
