

## **Part-Time Board-Eligible/Board-Certified Endodontist Opportunity – San Mateo, CA**

*Potential to Expand Based on Patient Demand*

Established multi-specialty dental practice seeking a Board-Eligible or Board-Certified Endodontist to develop and grow an endodontic service within our modern, well-equipped office.

We provide:

- Fully staffed operatories and experienced assistants
- Scheduling, billing, insurance processing, and collections
- Established patient base and referral network
- Administrative support so you can focus on patient care
- Flexible schedule with growth potential based on demand

This opportunity is ideal for an entrepreneurial clinician who wants to build a thriving referral-based practice without the overhead and challenges of managing an office.

### **Qualifications:**

- Board-Eligible or Board-Certified Endodontist
- Minimum of 2 years of clinical experience preferred
- Excellent clinical skills and commitment to outstanding patient care
- Strong communication and relationship-building abilities

Competitive compensation structure. Initial income guarantee available during the startup phase for the right candidate.

If you are patient-centered, clinically excellent, and motivated to grow your practice in a collaborative environment, we would love to hear from you.
