

Foster Adoptive Services

WRITTEN BY JACKIE PHILLIPS

Onward Hope is looking for individuals and organizations that will host a toy drive or gift card drive for youth and young adults in our Foster Care, Adoption, Parent Aide, and Transitional Youth Outreach programs. We have over 300 youth and young adults that we provide services to, and our goal is to give each one of them gifts. Each holiday season, we experience exclusion of items for teens through toy drives, and we receive far fewer gifts for this population. Please join us in our goal to give hope and bring joy to this under-served population.

"Onward Hope's vision is to enable at-risk youth and young adults to realize their full potential, while becoming the leading transition and permanency services corporation in Arizona."
