

# Midwest Hub

**Your Partner in Supporting Organizational and Systems Change**

## ABOUT CMHIS

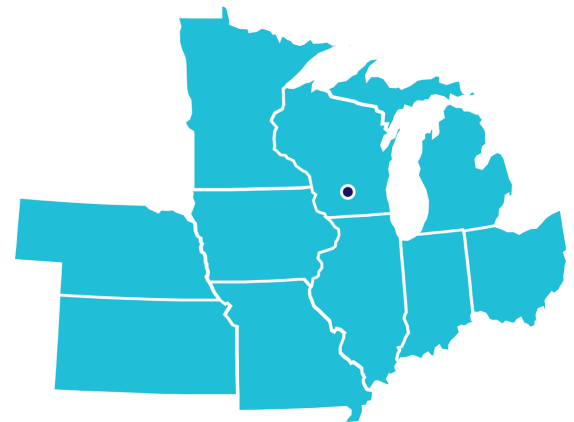

The goal of the Center for Mental Health Implementation Support (CMHIS) and our bi-regional Hub is to help systems and organizations in the preparation, implementation, and sustainment of effective mental health programs and practices. We provide practical, tailored support to overcome implementation barriers and ensure access to high-quality care.

## ABOUT THE MIDWEST HUB

The Midwest Hub is located at the University of Wisconsin–Madison, Center for Health Enhancement Systems Studies (CHESS). We serve HHS Regions 5 and 7, which include Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, Ohio, and Wisconsin. Our team is led by our director, Todd Molfenter, PhD, and our co-director, Sherrie Nichols, MS, LMFT. We look forward to supporting Regions 5 and 7 in implementing effective programs and practices.

## Midwest Hub

Univ. of Wisconsin-Madison

## The Process of Implementing an Effective Program or Practice

### Preparing

Engaging the community and assessing their mental health needs

Identifying factors that influence implementation

Deciding what support is needed to implement the new practice

Using clinical progress to guide treatment

### Implementing

Marketing programs and services

Using data to improve service delivery

### Sustaining

Evaluating program outcomes

Sustaining service delivery

## WHAT WE OFFER

- Implementation support at regional and local levels (e.g., coaching, facilitation, consultation, learning collaboratives)
- Tools and resources tailored to real-world practice

## WHO WE SERVE

- Grantees funded by SAMHSA's Center for Mental Health Services
- Organizations that oversee or directly provide mental health services
