

## COMING SOON!

### A New Lincoln Elementary

The recent cold weather and the challenges of 2020 haven't slowed down the progress at the new Lincoln Elementary. Take a look at that beautiful exterior!

## RECENTLY COMPLETED WORK

- Drywall, drywall and more drywall
- Mechanical/electrical rough-ins continued above ceiling
- Brick and block continued around the exterior of the building
- Metal panels installed on the north elevation
- Additional glass installed in the window openings

## UPCOMING WORK

- Painting classrooms and hallways
- Hanging/finishing drywall throughout building
- Ceiling grid installation will begin
- Permanent power will be turned on
- Elevator will be installed
- Additional sidewalks will go in
- Brick and block will finish by the end of the year

## DID YOU KNOW?

Electricity travels at the speed of light  
which is about 300,000 km/sec.
