

Our Lenten Project – Fare Share Port Hope

This year we are unable to keep our Fare Share basket supplied with non-perishable food. However, the lock-down gives us an opportunity to assist with donations via cheque. Now in larger accommodation, Fare Share has freezers and refrigerators. This means they can offer fresh fruit, vegetables and frozen items for their patrons. With monetary donations the volunteers can take advantage of bulk purchasing and seasonal specials.

If you wish to include Fare Share in your Lenten discipline please make your cheque payable to St. Mark's, with Fare Share on the memo line, pop it in an envelope and either drop it off at our metal postbox at the top of the turning circle or add a stamp and use Canada Post (Feb. 17 thru April 4). Thank you.

Let us bless the Lord and our neighbours with a spirit of generosity. AMEN!
