

Community of Practice: Strengthening Business Practices for Child Care Programs Information Sessions

Child Care Aware of NH, powered by Southern New Hampshire Services is proud to offer a new experience for center-based programs. CCAoNH's Community of Practice (CoP) is a **unique opportunity** for Early Childhood Professionals to **participate in a structured and supportive group that utilizes training, shared knowledge and experiences**, to promote professionalism and program quality.

The CoP's focus will be on **Strengthening Business Practices in Child Care Programs**. Join us for an information session to learn more about this **FREE** opportunity and see how the CoP can benefit you and your program.

Are you a licensed Child Care Center provider looking for support around business practices:

- Budgets, Projections and Planning
- Financial Reports and Internal Controls
- Marketing Your Program
- Recruiting and Retaining Staff

The Community of Practice will be composed of four (4) sessions covering multiple business practice topics. The training sessions will include active discussions, guest speakers and a variety of activities pertaining to business practices.

Join us to learn about this opportunity.

Tuesday, May 12, 2020
6:30-7:30 PM

Registration Information:

- Registration is free and available through the [NH Professional Registry](#).
- Registration is on-line only and pre-registration is required.
- Once registered, participants will be emailed a Zoom Webinar Link (URL Code) the morning of the information session.

To join the information session, you may click on the Zoom Webinar Link or copy and paste the Zoom Webinar Link into your browser

- Please fill in your **name, email, and organization** before you click on the button to join the Webinar. By filling in this information, this will create an online sign-in sheet through Zoom.
- As there will be a PowerPoint used, for best viewing and participation we suggest the use of a device with a screen, speakers and a camera.
- Information on how to access ZOOM: [click here](#)
