Register by December 6<sup>th</sup> at <https://www.eventbrite.com/e/the-pyramid-model-strategies-to-promote-the-social-emotional-competence-of-infant-toddlers-and-tickets-28725133648>

Announcing a unique training opportunity on promoting young children's social-emotional competence and preventing, understanding, and responding to challenging behaviors! The evidence-based materials presented in this training are most effective with infants and toddlers and reflect a commitment to promoting social-emotional development in young children through the use of promotion and preventive strategies. Primary content areas related to supporting children's social-emotional development include:

- Promotion Practices: Supporting Social-Emotional Wellbeing for All Infants and Toddlers
- Preventive Practices: Targeted Social-Emotional Supports
- A Relationship-Based Approach for Supporting Infants and Toddlers with Challenging Behaviors

For more information contact Lara Quiroga at [lquiroga@mchc-nh.org](mailto:lquiroga@mchc-nh.org) or (603) 296-9240

This training event is offered in collaboration with NH's new Pyramid Model Initiative, led by the NH Department of Education and NH Department of Health and Human Services, which will build state infrastructure and support for early childhood program participation in the Pyramid Model.

Sponsored by: NH Department of Health and Human Services, Division of Public Health Services/Maternal & Child Health Section; Project LAUNCH NH, and Spark NH.
