

Dear Provider,

Thank you for exploring The New Hampshire Connection Information System (NHCIS). We have started to receive both, Early Childhood and After School Credential Applications via NHCIS. Beginning May 17, 2021 we will be strictly using NHCIS to accept all new and renewal credential applications, we will no longer be accepting applications completed on the online registry or in paper form.

Please note, if you have already applied using NHCIS, we see your application and will begin processing it on May 17, 2021. If you would prefer for your application to be processed sooner, please mail in your application to the address listed below and we will be happy to assist you.
