

# SPECIAL EVENT EMERGENCY PLANNING

Plan ~ Respond ~ Recover

Saturday, April 7, 2018

With approximately 45,000 children in child care settings throughout New Hampshire, it's essential that these settings have strong emergency plans and procedures in place. NH CCLU Rule states "Programs shall develop an Emergency Operations Plan (EOP)". Through various hands-on activities and interactive group discussions, participants will walk away with a stronger working knowledge of the emergency preparedness planning process. This training is intended for those who provide direct care to children in child care centers, afterschool programs, and family child care programs to develop a plan specific to their needs. Participants will be better able to prepare for, respond to, and recover from the next incident, emergency or major disaster by addressing the following:

- Obtain in-depth information on how to plan for and properly execute emergency response drills.
- Strengthen their emergency preparedness planning process by creating their own comprehensive and sustainable EOP.
- Explore resources available to help develop a successful EOP.

## Presented By:

Shaquanna McEachern, Training and TA Specialist, CCAoNH  
Gregg Champlin, Emergency Planning Child Care Specialist  
Justin T. Kates, CEM Director of Emergency Management (Nashua)  
Connie Davis, Training and TA Specialist, CCAoNH  
Liz Costa, Training and TA Specialist, CCAoNH

## Who Should Attend This Event?

Are you currently working on or revising your existing Emergency Operations Plan (EOP)? Would you like to have dedicated time to work on your EOP while using the New Hampshire Child Care Center, Family Child Care and School Age Emergency Operations Plan Template as a guide? Are you a child care center provider or family child care provider looking for support on the emergency preparedness planning process? If so, this event is perfect for you! This training is also open to those who provide training and technical assistance, coaching, mentoring and consultation.

**"Be Disaster Aware...  
Take Action to Prepare"
