

All About the ITERS-3: A Training with An Author

Thursday & Friday
August 22 & 23, 2019

Time: 9:00 am to 4:00 pm

Held at:
The Common Man
25 Water Street
Concord, NH 03301

Training Description: Join us for this **two-day training on the Infant and Toddler Environment Rating Scale (ITERS-3)**. If you work with this age group, this training is designed for you and will introduce you to the ITERS-3. You'll uncover where and when the scales are used and how they measure quality in your program. **Activities will be provided that will help you become more familiar with the format and content of the ITERS-3.** We will discuss how the scale requirements can be interpreted and scored and how procedures for completing observations can be conducted. Additionally, in-depth information will be shared about specific items of the scale, indicators and research findings.

Target Audience: Infant and Toddler Teachers, Family Child Care Providers, Directors, Administrators, Mentors, Trainers and Consultants

Trainer Bio: Cathy Riley has an M.S. in Early Childhood Education and a B.S. in Business Administration. Cathy is co-author of the widely used *All About the ECERS-3*, *All About ECERS-R* and *All About the ITERS-R* books. She recently co-authored *All About Preschoolers*, an environment-based curriculum that emphasizes a comprehensive approach to child development. She has served as an Environment Rating Scale (ERS) Reliability Anchor and data collector with federal and state research and evaluation projects using many early childhood assessment instruments and child outcome measurements. Cathy served as a coordinator, establishing systems for reliability for a statewide Quality Rating System, as well as training assessors throughout North Carolina on the ERS.

CKAs: Developing as a Professional,
Teaching & Learning and
Promoting Child Growth & Development

Child Care Aware of NH is a Child Care Resource and Referral Program powered by Southern New Hampshire Services. The preparation of this flyer was financed under a Contract with the University of New Hampshire in partnership with the State of NH, Department of Health and Human Services, Division of Economics and Housing Stability, Bureau of Child Development and Head Start Collaboration, with funds provided in part by the State of NH and the US Department of Health and Human Services. The flyer is supported by the Preschool Development Grant Birth through Five Initiative (PDG B-5), Grant Number 90TP0006, from the Office of Child Care, Administration for Children and Families, U.S. Department of Health and Human Services. The grant aims to understand the State's early childhood system and to create a plan to improve outcomes for children, families, schools and communities throughout New Hampshire.
