

# Quality Investment Initiative

## Information Session

Southern New Hampshire Services is pleased to be able to continue providing the Quality Investment Initiative (QII) with the generous support of the New Hampshire Charitable Foundation.

The Quality Investment Initiative is a unique opportunity for Early Childhood Programs to participate in a structured and supportive setting that utilizes training, technical assistance and a cohort-model approach to promote professionalism and program quality. Become part of this unique opportunity as we strive together in increasing access to high quality early childhood environments and experiences for children and families.

### If you are interested in your program...

- **Achieving a higher level of program quality** by becoming a **pilot program** that will complete, **Licensed Plus 2.0**, the preparatory level of NH's revised and enhanced Quality Rating and Improvement System, **OR becoming a NAEYC Accredited Program.**
- **Supporting low income families** in obtaining quality early childhood experiences for their children.
- **Working with a Training and Technical Assistance Specialist**, Quality Investment Mentors and your peers in an intentional and structured fashion.
- **Receiving incentives** through professional development, technical assistance and/or accreditation fee support.

### Quality Investment Initiative Informational Session

- **Webinar: Thursday, January 11, 2018, 2:00 to 3:00 pm.**
