

2019-2020 Leadership Collaboratives

Check out a Leadership Collaborative near you!

Child Care Aware of NH powered by Southern NH Services offers Leadership Collaborative meetings for Directors, Administrators, and other Early Childhood Leaders from September to June each year. These meetings are designed by each group in the region to reflect area needs and interests. In addition, the groups provide program leaders with Child Care Aware of NH program updates, essential local and state information and offer professional development opportunities. Registration is online through the [NH Professional Registry](https://www.nhprofessionalregistry.org/). The registration

window does not need to be open for registration to begin. Please see below for dates, times and locations to find a meeting near you. Note that locations and dates may change around holiday times or due to group needs.
