You are cordially invited to attend our huge *Close-Out Sale*. After 42 wonderful years as a NH Licensed Child Care Provider, Doris Ledger is retiring. Everything must go, so we will be sacrificing all items, pennies on the dollar. But that's okay, knowing our *investment* will continue to benefit and nurture NH's children brings us much comfort and satisfaction.

All our gently owned, previously loved equipment, products, supplies and merchandise have been thoroughly cleaned/ sterile, and are in great condition ready to be placed and immediately used in your school.

We have everything from infants to kindergarten ~ playground equipment, water table, furniture, science/math, 1000 story & resource books, puppets & puzzles galore, art/music, fine motor skills, dramatic play, games, blocks & manipulatives, educational toys, antique school desk, wall tracking tube, solid wood shelves, dinosaurs, dolls, trucks, stuffed animals, bubble machines, wagons, bikes . . . the list goes on. Nowadays buying everything brand new can be very expensive, so whether you're just starting out or looking to add to your center, you won't want to miss this awesome sale – we'll help you load up, bring a truck! Important, please call ahead to let us know what time you would like to come, thank you very much!

Sincerely, Doris Ledger
