

Prepare For Respond To Recover From

Family Child Care Emergency Planning Cohort (FCCEP Cohort)

The Family Child Care Emergency Planning Cohort is a unique opportunity being offered for the first time to programs operated from the home. The participating programs will enhance their existing Emergency Operations Plans to be comprehensive, sustainable and well-practiced to satisfy Child Care Licensing Rules. This cohort-model approach, facilitated by the CCAoNH Family Child Care Support Specialist, is intended to support this work. Throughout this cohort resources and tools will be provided to better prepare for, respond to, and recover from the next incident, emergency or major disaster.

Benefits of FCCEP Cohort are...

- Being able to collaborate with peers to strengthen your emergency preparedness planning process.
- Receiving professional development, on-site technical assistance, and resources in a supportive group setting.
- Obtaining in-depth information on how to plan for and properly execute emergency response drills.
- Building on your current Emergency Operations Plan so that it is comprehensive and sustainable.
- Earning a Certificate of Completion for the Family Child Care Emergency Planning Cohort upon fulfilling requirements.
