Bringing the Protective Factors Framework

to Life in Your Work

About

The Strengthening Families Framework identifies characteristics that make families stronger and child abuse and neglect less likely to occur.

This training series will enhance your ability to serve children and families and is appropriate for anyone whose work touches parents.

This series meets the requirements for continuing education for several child-serving professionals:

- 13.5 Child Care Professional Development interactive hours
- 13.5 hours of continuing education for professionals licensed by the NH Board of Mental Health Practice (Application pending approval)
- 13.5 GAL CEUs approved by the Guardian ad Litem Board
- Contact hours for nurses in related fields

Certificates are awarded after each session.
