

National Lead Poisoning Prevention Week 2017

October 22 – 28, 2017

FREE Education and Outreach Toolkits available

Each kit include posters and materials to create a parent education display, send-home information for each family enrolled in your program, and two children's board books to become part of your classroom collection.

To have a Lead Poisoning Prevention Week education and outreach toolkit mailed to your program contact Gail Gettens at NH's Healthy Homes and Lead Poisoning Prevention Program at 271-1393 or gail.gettens@dhhs.nh.gov .
