

Prepare For Respond To Recover From

Emergency Operations Planning in Child Care Cohort (EOP Cohort)

Child Care Aware of NH powered by Southern New Hampshire Services will be offering the Emergency Operations Planning (EOP) in Child Care Cohort. The **EOP Cohort** is intended for child care centers and family child care providers. This unique opportunity is being offered for its 3rd time. This year, we will be offering this cohort in the **Western region**. The participating programs will **enhance their existing EOP to be comprehensive, sustainable and well-practiced** to satisfy Child Care Licensing Rules. This cohort-model approach, facilitated by a CCAoNH Training and TA Specialist, is intended to support this work. Throughout this cohort, resources and tools will be provided to better prepare for, respond to and recover from the next incident, emergency or major disaster.

Benefits of EOP Cohort, using the Phases of Emergency Management, participants will...

- Collaborate with peers to strengthen your emergency preparedness planning process.
- Receive professional development, resources in a supportive group setting and on-site technical assistance.
- Obtain in-depth information on how to plan for and properly execute emergency response drills.
- Enhance your programs existing EOP to be comprehensive, sustainable and well-practiced.
- Earn a Certificate of Completion for the Emergency Operations Planning Cohort upon fulfilling requirements.
