

Progressive. Intentional. Meaningful. Focused.

Progressive Training & Technical Assistance Program

Are you interested in having training and technical assistance provided on-site for staff?

- Would you welcome an opportunity to engage with your staff and CCAoNH on an **intentional** and **meaningful** program goal or initiative?
- Are you interested in learning more about the Competencies and Credentialing, Emergency Preparedness, NH Strengthening Families, NH Early Learning Standards or Infant & Toddler Support?

This Progressive Training and Technical Assistance Program is an **opportunity for your program to participate in focused and facilitated teambuilding that promotes professionalism and program quality** through five different Training and Technical Assistance Options.

Training & TA Options: Progressive Professional Development of Staff, Program Emergency Preparedness and Response, Strengthening Families, Strengthening Care, NH Early Learning Standards or Infant & Toddler Initiative

Benefits of Participating in the Progressive Training and TA Program:

- Ability to access free on-site technical assistance, professional development, training hours, resources and support on a state initiative.
- Ability to provide and promote a team building experience and mentorship opportunity for staff to improve program morale, culture and quality of services provided.
- Ability to earn a minimum of four hours of professional development training for each participating staff member.
- Ability to earn a Certificate of Completion for the Progressive Training and Technical Assistance Program upon fulfilling requirements.
- Ability to obtain Conference Training Bucks for all participating staff, upon completion of requirements, to attend a CCAoNH Conference at no cost, as a staff retreat (valid until June 30, 2021).
- Ability to gain technical assistance on the Statewide Early Learning Alliance (SELA) and ECE Shared Resources in collaboration with Early Learning NH.
- Ability to connect directly with CCAoNH.

Selection & Notification Process

The in-house selection process will be based on program needs and regional locations. Programs will be selected and notified by September 30, 2019. This program runs from October 1, 2019 to June 30, 2020. All participating programs will be listed in the November Monthly Minutes.

Criteria for Program

- Be an Early Childhood Program (Group Child Care Center, Family Child Care or Preschool Program) licensed by the New Hampshire Child Care Licensing Unit.
- Be willing to sign a Memorandum of Agreement (MOA) with CCAoNH to participate.
- Be able to ensure staff commitment to project as outlined in MOA.

Application Due Date: Friday, September 13, 2019
