

## **Early Head Start Home Visitor – Manchester location**

Southern NH Services Early Head Start is looking for a dynamic & caring early childhood professional with a focus in family development to deliver home visiting services for infants, toddlers and their families. Early Head Start is a comprehensive child development program designed to foster the healthy development of infants and toddlers and their families.

Home visitors plan and carry out weekly home visits with families to facilitate child development activities and promote family development through parent education and referrals to needed services.

**Home Visitor Qualifications:** A degree in Early Childhood Education or related field (Human Development, Child & Family Studies, etc...); Prior experience in case work; Understanding of principles of child health, safety and nutrition, adult learning principles and family dynamics. Must have valid New Hampshire driver's license, carry adequate automobile insurance and be able to provide proof of insurance.

The comprehensive benefit package includes free individual health, vision and dental insurance plans, a 403B retirement plan with a 10% match and paid holidays, vacation and sick leave.

**Email resume to [employment@snhs.org](mailto:employment@snhs.org)**  
**SNHS is an Equal Opportunity Employer**
