

Online CCAoNH Collaboratives

Child Care Aware of NH powered by Southern New Hampshire Services is excited to be hosting online Collaboratives starting March 31st to May 4th, 2020. Every week, CCAoNH will host two (2) Early Childhood Leadership Collaboratives and one (1) Family Child Care Networking Collaborative. Although we understand that these are different than our typical Collaboratives, we hope that this will be a great way to get information out to you and offer a venue for you to collaborate with your peers. These meetings are group-driven to reflect the participant's needs and interests and to provide Child Care Aware of NH program updates, essential local and state information and professional development opportunities.
