

Online CCAoNH Collaboratives

Child Care Aware of NH powered by Southern New Hampshire Services is excited to be hosting online Collaboratives. Every week, CCAoNH will host five (5) Early Childhood Leadership Collaboratives and one (1) Family Child Care Networking Collaborative. Although we understand that these are different than our typical Collaboratives, we hope that this will be a great way to get information out to you and offer a venue for you to collaborate with your peers.

Please note, the most recently added Collaborative is for programs and providers in the North Country only. In addition, the Family Child Care Networking Collaborative should only be attended by Family Child Care or Group Family Child Care providers. These meetings are group-driven to reflect the participant's needs and interests and to provide Child Care Aware of NH program updates, essential local and state information and professional development opportunities.

Online Early Childhood Leadership Collaborative

Online Early Childhood Leadership Collaborative meetings for Directors, Administrators and other Early Childhood Leaders.

Online Family Child Care Networking Collaborative

Online Family Child Care Networking Collaborative meetings are for Family Child Care and Group Family Child Care Providers only.
