

## ***Great things continue to happen in New Hampshire WIC--Help us spread the news!!!!***

The screenshot shows the 'WIC Pre-Application' page for New Hampshire. It features the WIC New Hampshire logo in the top left. The main heading is 'WIC Pre-Application'. Below this, there is a section titled 'Apply today!' with the following text: 'We have resources, knowledge and tools to help you be the parent you want to be. If you're pregnant or a caregiver of a child under five years old, you can get the right personalized support for you and your family.' It then states 'All caregivers are welcome. Moms, dads, grandparents caring for grandchildren and foster parents can all apply for WIC!'. A link 'Am I eligible for WIC?' is provided. It says 'Signing up is easy! Start online by completing this form. If you need help, we are here for you at 1-800-942-4321.' and 'After you submit this pre-application form, one of our friendly WIC staff will contact you to set up an appointment.' A note at the bottom states 'Note that completing the form does not guarantee your eligibility or enrollment in the program. Eligibility will be determined during your first WIC appointment.'

***January 2021*** the New Hampshire WIC Program launched a pre-application website/portal for interested NH families who want to start the WIC application process online and who are pregnant, breastfeeding or post-partum or have an infant or child(ren) up to 5 years old in their family.

It is easy!

- 1.) Go to: [www.nhwic.com/preapplicationportal](http://www.nhwic.com/preapplicationportal)
- 2.) Answer the questions as prompted.
- 3.) Submit.

WIC Staff will be in touch to set up an appointment within 3 business days. Of course, interested families may continue to contact the WIC agency directly to schedule an appointment as well at <https://www.dhhs.nh.gov/dphs/nhp/wic/offices.htm>

As a reminder, WIC is currently conducting all appointments remotely and offers on-line education opportunities for some follow-up appointments. We continue use the eWIC card for redemption of WIC foods, and have the WIC Shopper App to assist families as they shop for their WIC foods. Self-check out and on-line shopping is available with certain WIC vendors.

Partners, like you, play an important part in this effort! Please share this information and refer your patients and families to the NH WIC Program.

Contact the State WIC Agency at **(800) 942-4321** for outreach information and posters for your office.

***Thank You!***
