# PLAY BASED LEARNING FOR ALL

Made possible

in part by:

## What is the project?

A project to support childcare centers, family resource centers, and libraries by offering free to project partners:

- Play-based learning activity kits
- Educator workshops
- Open houses showcasing resources, and more!

## What is the goal?

To collaborate with and help providers and families implement enriching, engaging, and developmentally appropriate play-based learning activities for children from birth to age 5.

## Activity Kits:

CMNH is creating and distributing FREE play-based learning kits filled with hands-on manipulatives, activities, and ideas for use with children ages birth-5 years. Each kit is valued at about \$500.

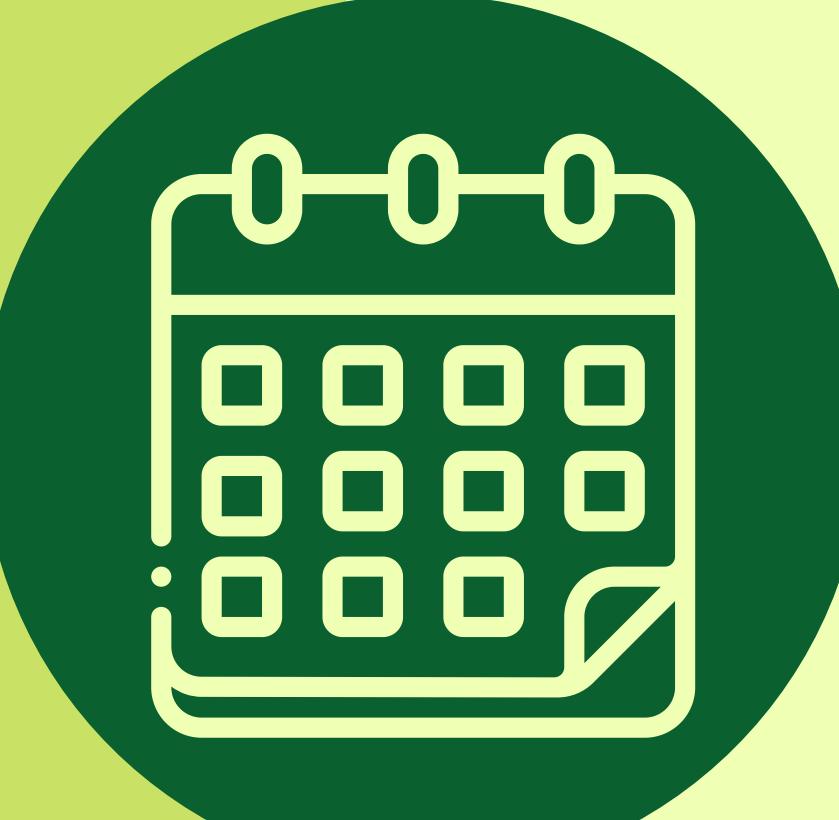

## How do I get a kit?

Childcare centers, family resource centers, and libraries can apply to be a project partner and receive a FREE kit by filling out this [Google Form](#) by October 3, 2022

Applicants will be contacted by October 7, 2022 as there are limited kits available.

## Upcoming Dates:

- Free PBL Kit application deadline: October 3, 2022
- Open House at CMNH: November 6, 2022
- First Virtual Educator Workshop: November 2022
