

2018 CCAoNH Feedback Forum

Join Program Manager, Tracy Pond and CCAoNH Regional Staff for one of our Feedback Forums this summer. This is a face-to-face opportunity for you to ask questions and provide feedback on CCAoNH services. Additionally, CCAoNH staff will provide program updates and give you the inside scoop on what's coming next in the upcoming program year.

Thinking of attending? Do it! We're bringing ice cream and making sundaes! We look forward to seeing you then!
