

# Child Care Aware of NH Business Management Practices

Child Care Aware of NH, powered by Southern New Hampshire Services, is proud to offer two (2) options for Administrators/Directors to explore Business Management Practices. The 1st option being offered is through the **Progressive Training and TA Program** and the 2nd option is through a **TA Virtual Cohort**. Each option consists of introducing and completing the **Program Administration Scale (PAS)** and the **NH Business Management and Director Training Collection through ProSolutions**. Participants will receive support to cultivate quality business management practices through assessment and SMART goal setting.

Below is more information regarding the options to consider.

## **Option #1-Business Management Practices Progressive Training and TA Program:**

Participants will have the opportunity to receive individualized technical assistance, obtain resources and get support through training from their Training and TA Specialist (s).

**-OR-**

## **Option #2-Business Management Practices Virtual TA Cohort:**

Participants will have the opportunity to collaborate with peers, obtain resources and get support through training and technical assistance in a cooperative group setting.
