

SCS Head Start is looking to fill the following positions at the following NAEYC Accredited Head Start Centers:

Swanzey Teacher Assistant: Associate Degree in ECE is required. This position is full time, and follows the Head Start school year calendar.

Cheshire and Sullivan County Teacher Aides: 9 Early Childhood Credits including 3 credits in child growth and development. This position is part time and follows the Head Start school Year Calendar.

These positions require teachers who have positive attitudes and love working with children and families. Familiarity with NAEYC best practices and the Head Start Standards and Early Learning Framework is ideal. Southwestern Community Services Head Start requires our teaching teams to work respectfully and creatively with each other and the other staff in the center. If you are TEAM player and are a GREAT TEACHER please apply.

Please submit resume, cover letter, and three letters of recommendation by August 20, 2012 to
