Business of Child Care webinar

Budgeting Fundamentals: Building a budget
to support planning and profitability

Led by Kim Votta of Kim Votta Consulting

You are invited to a 90-minute webinar on **Budgeting Fundamentals**.

Learn how to budget and lay the foundation for financial success in an early learning center. Webinar participants will explore budgeting fundamentals and how to use them to make effective management decisions. We'll answer these questions and more:

1. What is the best approach to budgeting?
2. What are the components of a good budget?
3. What key operational data will help you create the most effective budget?
4. How does budget-variance reporting support business management decisions?
5. Why is budgeting critical to long-term financial success?

Participants will receive a budget template designed for child care centers, and other helpful resources. Participants will also create a budget for an early learning center.

Materials and certificates of attendance will be emailed to participants after the webinar.

When: Thursday, May 3, 2018, 1 to 2:30 p.m.
