

We are excited to collaborate with Child Care Aware® of NH to bring news from the Child Care Licensing Unit to the child care community on a regular basis through their e-newsletter, Monthly Minutes. Every month, we will strive to bring you information to increase your understanding of the NH Child Care Licensing rules, and to share other resources to assist you in your work with and on behalf of children and their families.

We will also use this space to share any important announcements as they relate to Child Care Licensing Unit (CCLU).

Happy New Year from CCLU!

On December 18, 2018, I sent an email out to all licensed family programs and centers using the email CCLU has in our database with the following important message:

Dear Licensed Family/Center Based Child Care Program:

Starting Monday, January 14, 2019, all background check information will be submitted as one package to the Child Care Licensing Unit.

Please see the attached instructions for further information and details.

If you have any questions regarding this change that is not answered in the attached document, please call our office at 603-271-9025 or 1-800-852-3345 extension 9025.

If you are the center director or family child care provider and you did not receive this email, please contact our office to be added to our database to receive these direct communications in the future.

Until next month!
