BASICS OF BREASTFEEDING FOR CHILD CARE PROVIDERS

SATURDAY
MAY 20TH, 2023
8:30 AM TO
12:00 PM

Human milk provides unique benefits to both mom and infant, and is the optimal first food. These benefits continue beyond the first year. Supporting families in their breastfeeding journey is crucial, especially as families return to work or school. Hear from the experts on how to support breastfeeding families in the childcare setting.
