

The New Hampshire Early Childhood Leadership Summit: Part I

Manage, Motivate & Retain Great Staff

Join us for Part I of our 3rd Annual NH Early Childhood Leadership Summit, one of two dynamic training days that have been planned for you. You won't want to miss this unique training opportunity, followed by Part II: a full day of training, reflection and follow-up planned for spring 2017.

This two part Summit will support your leadership and strengthen your relationships with other early childhood educators. Focus will be on your real struggles with issues like staffing, morale and teacher qualifications. Let's tackle these struggles together!

Come to the Summit ready to learn. Bring your everyday problems. And get ready to find solutions!

Spend the day with internationally-known Child Care Business Success Mentor, Speaker and Author, Julie Bartkus and discover how to inspire your staff to set and achieve new goals. This will transform your staff and make you a truly likable leader that Child Care Owners and Directors rave about. You will learn the secret strategy that Julie's clients implement to transform their workplace culture in less than 60 days and understand why you keep having the same motivational challenges with your staff. You'll figure out where to find dreamy staff to work for your child care program. You'll discover why your staff are not as motivated as they could be, realize how staff motivation impacts your profits and hear staff motivation myths.

Trainer Bio
