About Bridges:

Bridges training contains case studies, detailed analysis, helpful charts and exercises, and specific solutions you and your organization can implement right now to:

- Redesign programs to better serve people in poverty
- Build skill sets for management to help guide employees
- Upgrade training for front-line staff including receptionist and others
- Improve treatment outcomes in healthcare and behavioral healthcare
- Increase the likelihood of moving from welfare to work

Offered by the Upper Valley Haven, The Boyle Community Pediatrics Program, and The Couch Family Foundation
