Dear Donor,

The Las Vegas community design organizations are reaching out to vendors and community partners to help create life changing moments for female veterans and their children and for women who have suffered abuse or homelessness. The local design organizations IIDA, IDS, NEWH, ASID, ADAS and LVDC have partnered with The Veterans Village Women and Children's Center to rehabilitate an existing 20 unit apartment building located in downtown Las Vegas. The Veterans Village Women and Children Center is a partnership between Veterans Village and The Shade Tree.

Veterans Village is dedicated to the creation of an environment that is home to United States Veterans. This is a unique and innovative approach to holistic and comprehensive housing with 24/7/365 crisis intervention center intensive support services. Public and private collaborative partnerships have been created to provide supplies and services to residents including housing, medical and mental health services, employment training, referrals and placements, food pantry/nutrition programs and transportation to the VA Hospital and primary care clinics.

Below is the required needs list. If your company or another company you know can donate any of these items you will be creating a positive force of change in our community. "A single act of kindness throws out roots in all directions, and the roots spring up and make new trees." -Amelia Earhart Through the partnership with the Las Vegas design community we are set to be completed by the end of October 2018.
