### Who is the CCC?

The Cumberland Conservation Collaborative (CCC) seeks to act **together to protect, restore** and **enhance** natural resources and quality of life in Cumberland County.

### Visit us online at:

[www.cumberlandconservationcollaborative.org](http://www.cumberlandconservationcollaborative.org)  
[www.cepa.net/planning](http://www.cepa.net/planning)

As one of the fastest growing counties in the state of Pennsylvania, Cumberland County communities face unique challenges reaching the proper balance between development and preservation. In order to maintain our high quality of life, we need a strategy for achieving that balance. *Come be part of this important conversation!*

### Forum Agenda

#### Welcome & Introduction

*Rick Rovegno, CCC Chairman*

#### Municipal Land Preservation Options

*Bill Gladden, Executive Director for French & Pickering Creeks Conservation Trust & former Director of Chester County's Open Space Preservation Program*
