

# Candidates!

What will you be doing **for the environment** if elected?

# Candidates!

What will you be doing to **make Ireland more sustainable** for all?

# Environmental issues are important

to the voters in  
this house.

# Local climate initiatives are important

to the voters in  
this house.

# Candidates!

I'd like to

# talk about biodiversity.

# Candidates!

My first question  
will be about

# climate action.
