

# Workplace Wellness Funding Opportunities

## WE PARTNER WITH:

Large & Small Businesses  
Cities  
School Districts  
Non-profit Organizations  
Parishes/Churches  
Chambers of Commerce  
Health Care Organizations

Carver County Public Health is looking for motivated employers that want to strengthen their workplace culture and offer more opportunities to make the healthy choice the easy choice. Workplaces in Carver County are invited to submit project proposals for Statewide Health Improvement Partnership (SHIP) funding to assist in implementing sustainable changes in **healthy eating, movement throughout the day, breastfeeding support, commercial tobacco-free workplaces and/or mental wellbeing.**

If you are interested in applying for funding, please review the SHIP Project Proposal Instructions and complete the SHIP Workplace Project Proposal [HERE](#). Limited funds are available and completing a project proposal is required; proposals are due by **January 9, 2026, by 4:30pm CST.**

Not interested in funding, but needing help to start or enhance a current wellness program? Carver County offers free consulting and support services to worksites to build the foundational elements of wellness including:

- Assessments & surveys to identify your greatest needs/interests
  - Wellness committee development
  - Senior leadership engagement
  - Branding for the program
  - Vision, goals & annual plan facilitation
- Policy, systems and the environmental changes that support wellbeing

If you'd like to get started or have questions, please contact Kris Keykal, Carver County SHIP Workplace Wellness Consultant, at [kkeykal@advantagehealth.com](mailto:kkeykal@advantagehealth.com) or 612-823- 4470.
