

Dear Waconia Local Businesses,

On Friday June, 22, the Waconia Post 150 Legion Baseball Program in conjunction with the Waconia Baseball Association will be hosting the 3rd annual Strike Out Cancer Event at Lion's Field in Waconia. We would like to invite you to the event as well as see if you are interested in participating in the activities that night. All money raised will go to the Angel Foundation, which is a part of Minnesota Oncology, located in Waconia. The Angel Foundation helps support families in need of financial assistance in their day to day lives as they fight cancer. Last year the Angel Foundation helped 20 patients who were living or being treated in Waconia by distributing \$11,700 in emergency financial assistance. There are a couple ways that you can participate:

- 1) Come to the game and participate in the activities at the ballpark.
- 2) Pledge a certain amount per strikeout (per team or combined).
- 3) Provide an auction item for a raffle that night.
- 4) Come to the plate with a designated amount of money.
- 5) Donate online Directly to the Angel Foundation. <https://mnangel.org/events/strike-out-cancer/>
- 6) Buy a raffle ticket for a 1948 Harley Davidson Pan Head which will be raffled on June 30.

We hope that you will be able to join us as we work to STRIKEOUT cancer. If interested in contributing, please make checks payable to the **Waconia Baseball Association**. If you have questions or ideas about the night, please contact Erik Olson via email at [eolson@isd110.org](mailto:eolson@isd110.org) or phone 920-619-9243.
