

WORKPLACE WELLNESS

Consulting

Today's workforce needs more than benefits — they need sustainable support to help improve employee wellbeing, engagement, and workplace culture.

Carver County Public Health Department offers free consulting services for worksites to build the foundational elements of wellness. These services are available to any interested business in Carver County. Depending on where your organization is at, we can help you with any or all of the following.

- Complete an organizational assessment
- Create a wellness committee
- Design a brand and vision for your program
- Set goals and create an action plan
- Engage leaders to actively support wellness
