

FOR IMMEDIATE RELEASE:

Lakeview Clinic Celebrates Deb Fillbrandt's Remarkable 50 Years of Service

Carver County, MN

This June, Lakeview Clinic proudly celebrates an extraordinary milestone: the 50th work anniversary of Deb Fillbrandt, the longest-serving employee in Lakeview Clinic history.

Deb began her career at Lakeview Clinic as an Accounts Receivable Clerk in 1976, which is the very same year the clinic relocated from West First Street in Waconia to its current location on Highway 5. Over the past five decades, Deb has served in a variety of roles across the organization, becoming a familiar face and trusted colleague to generations of patients, providers, and staff.

Throughout her career, Deb has exemplified Lakeview Clinic's core values of Excellence, Quality, and Respect. Known for her strong work ethic, kindness, and unwavering dedication, she has made a lasting impact on the clinic and the community it serves.

"Deb is truly one of a kind," said Barb Sprengeler, Human Resource Manager. "Her dedication, professionalism, and commitment to both patients and staff have made Lakeview a better place for everyone who has had the privilege to work with her."

Another colleague shared, "Working with Deb is a joy. She brings warmth, experience, and professionalism to everything she does. She represents the very best of Lakeview Clinic."

Over 50 years, Deb has witnessed tremendous growth and change in healthcare, technology, and the clinic itself, yet her commitment to professionalism, quality and kindness has remained constant.

"Fifty years of service is simply unheard of," said Tracy Rheineck, CEO. "We are incredibly grateful for Deb's loyalty, dedication, and the countless ways she has contributed to Lakeview Clinic over the years."

THANK YOU, Deb, for your MANY years of service and all you do! We appreciate you and are truly amazed by your dedication. Congratulations on an incredible 50 YEARS!
