

Inspire! Carver

A digital community conversation

**Thursday February 17th
6:00-8:30pm**

We invite those who live, learn, work, play or pray in Carver County. Together we'll uncover ways to better support each other during these challenging times, as we begin to build a pathway towards a healthier future for all.

Feel free to drop by for a bit or stay for the whole time—but you won't want to miss this important conversation. This event is hosted by Carver County Public Health, Marnita's Table and Eastern Carver County School District 112.
