

Try something new in 2022

The Waconia Community continues to be a great place to live, work, and play. In 2021 we welcomed thousands of visitors with great events such as a record-setting Polar Plunge, the Minnesota State Amateur Baseball Tournament, and the celebration of the 60th Annual Nickle Dickle Day. The volunteers for these great events make them successful and the willingness of our community to continue to put forth those passionate efforts demonstrates how much we care to see Waconia thrive.

The last two years reinforced the importance of shopping local and supporting our community. The Chamber of Commerce promotes a positive business environment and works to enhance the quality of life in Waconia. The Chamber is only as strong as its members so encourage others to actively participate and join the Chamber to support one another.

I challenge you to try something new in 2022. Introduce yourself to a new neighbor, attend a networking event, pop into a shop you haven't visited yet, volunteer for a Chamber event, or jump into Lake Waconia for the Inclusive Playground and Special Olympics. Give back to this awesome community we call home and you will rediscover Waconia is the best place to live, work, and play.

Cheers!

- Todd
