Dear City Administrators and Township Clerks,

On behalf of the County Board, I am writing to inform you of the upcoming County advisory committee vacancies:

Board of Adjustment - Commissioner Districts 1 and 3  
Community Development Agency - Commissioner District 5  
Library Board - Commissioner Districts 1 and 2  
Mental Health Advisory Committee - Five mandated appointments  
Park Commission - Commissioner District 3 and one at large  
Personnel Board of Appeals - At large vacancy  
Planning Commission - Commissioner District 3  
Water Management Organization - Commissioner Districts 2, 3 (unexpired vacancy), District 5 and one representative from Bevens Creek and E/W Carver Creek Watershed

The Board will consider appointments to these committees at our January 4<sup>th</sup> organizational session. Appointments to the extent possible will be made by commissioner district. The Board will use discretion in this area and instances may occur when appointments will not follow district boundaries due to the target group the committee represents, availability of applicants, or other factors.

We ask that you share this with your Council/Township Board members, or, if you know of someone interested in applying, please ask them to complete the attached application or submit their application online at: [Application for Service on Carver County Committee, Commission or Board \(office.com\)](https://carvercounty.com/application-for-service-on-carver-county-committee-commission-or-board-office.com)

Thank you for your help.

Sincerely,

Tim Lynch, Chair  
Carver County Board
