Re: Food Committee

Hello Everyone,

The FOOD COMMITTEE will have an opening for new members, for a three-year term, beginning on October 1, 2022.

In order to apply for consideration for membership, please submit an application to me consisting of a paragraph or two stating your interest and qualifications, not later than August 20, 2022.

The only mandatory requirement is that you have been a resident of NBOC for at least one year as of October 1, 2022.

Please call or write me with any question.

Len Green
