Operational Change effective
Sunday January 9th.

A message from Josh on behalf of the Food & Beverage department: Due to the volatility in our current labor situation, we wish to ensure that food service continues effectively and consistently. In that regard, we will be switching to *delivery only for dinner service* beginning Sunday January 9th. This applies to both Nosh and Centro dinner service. We will reevaluate this temporary operational change again on Thursday and communicate the plan to continue or cease this operational change via resident zoom call and The Foodie. Please note:

- Centro is open for dinner delivery Monday through Saturday. Nosh is open for delivery service Sunday through Friday
- The ordering of meals is available between 10:30 am and 3:00 pm daily online or by phone. (links and numbers are included at the end of this memo)
- Deliveries begin at 4:45pm and we anticipate deliveries being completed by 6pm each night.
- There is a delivery hotline open from 5pm to 7pm each night. X4-9100
- Links and numbers to call for dinner delivery service:

Items To Chew On:

(Did you know?????????)

- **Staffing Issues**: We are experiencing extreme staffing shortages within the Food & Beverage department. We will communicate any necessary operational changes through emails and voice friend messages. Thank you for your patience and understanding.
- **Social Events**: Given the heightened concern with the most recent surge in COVID cases we will be temporarily suspending the monthly wine down and weekly coffee connection social events until further notice.
- **The Foodie**: After this week, the paper version of the Foodie will no longer automatically be distributed. There will be hard copies of the Foodie and Dining Menus displayed near the front desk of Centro and the counter at Nosh. We encourage you to review them electronically and feel free to place your orders and reserve your tables on line as well.
- **Shabbat Dinner Orders**: After Friday, January 14th, you may place Friday Shabbat dinner orders through on-line ordering or pick up, fill out and return a paper order form at Nosh or the Concierge desk.
