**Operational Change continuing  
through Saturday January 22<sup>nd</sup>.**

A message from Josh on behalf of the Food & Beverage department:

The overall labor situation appears to be improving, but we're not quite clear of the sick call volatility. We have decided to extend the closing of Nosh and Centro for another week through Saturday January 22. Thank you all for your continued understanding. We will reevaluate this temporary operational change again on Thursday January 20 and communicate the plan to continue or cease this operational change via resident zoom call and The Foodie. Please note:

- Centro is open for dinner delivery Monday through Saturday. Nosh is open for delivery service Sunday through Friday
- The ordering of meals is available between 10:30 am and 3:00 pm daily online or by phone. (links and numbers are included at the end of this memo)
- Deliveries begin at 4:45pm and we anticipate deliveries being completed by 6pm each night.
- There is a delivery hotline open from 5pm to 7pm each night. X4-9100

**Items to  
Chew On:**  
(Did you know???????)

- **Staffing Issues:** We are experiencing extreme staffing shortages within the Food & Beverage department. We will communicate any necessary operational changes through emails and voice friend messages. Thank you for your patience and understanding.
- **Social Events:** Given the heightened concern with the most recent surge in COVID cases we will be temporarily suspending the monthly wine down and weekly coffee connection social events until further notice.
- **The Foodie & Menus:** The paper version of the Foodie and accompanying menus will no longer automatically be distributed. There will be hard copies of the Dining Menus on display in Centro and in Nosh. We encourage you to review them electronically through Constant Contact and feel free to place your orders on line. If you absolutely require it in paper form please contact Joe Zogalis on the trip hotline x4-9218 to request.
- **Shabbat Dinner Orders:** You may place your Friday Shabbat dinner orders by the Wednesday preceding the dinner through on-line ordering or you can pick up, fill out and return a paper order form at Nosh or the Concierge desk. Please note, if it falls during a time period when in person dining is closed, Shabbat Dinner will be delivered as Shabbat in a Box.
