

NEWBRIDGE
ON THE CHARLES

Dr. Miriam and Sheldon G. Adelson Campus

May 17, 2019

Hello everyone,

Our long, cold, rainy April appears to be coming to a close after 47 days. This weekend is looking gorgeous with sunshine and a high of 72 predicted for Saturday. Perfect weather for our post-Relay for Life barbecue tomorrow. As a reminder, everyone is invited to join the team in celebration tomorrow evening.

Also, hot off the presses, please join me in congratulating the winners of the NILMA election: Barbara Naditch, Alan Ades, Michael Ross and Dorrit Senior. Also, please join me in thanking Fran Shaer and Murray Staub for their dedication and service to make NewBridge a wonderful community.

This is a short letter this week, with a relatively low-key weekend for me. I plan on doing a lot more exploring (walking) this weekend and just generally enjoying the warmer weather.

Have a wonderful weekend,

Steve Colwell
Executive Director
