

## **UUCH COVID-19 Policy (Revised by Board of Trustees 10/26/2021)**

Out of love and respect for every member of the congregation and in an ongoing effort to promote public safety during the COVID-19 outbreak, the leadership of UUCH has developed the following policy. This policy covers any event or gathering sponsored by a committee or an established part of church ministry (i.e., Hospitality, Social Justice, Soul Circles, Music, RE, etc.), whether at the church or off-site. It also covers any event or gathering on church property, even if not sponsored by one of the aforementioned groups. This policy will remain in effect until amended by the UUCH Board of Trustees.

### **Building Use**

- Due to the risk of community spread of COVID-19, all in-building gatherings are limited, and rentals are postponed until further notice.
- All church events must abide by the *Current COVID-19 Status Tier Chart* (see attached).
- If you have symptoms of COVID-19, please do not come to the church building for any reason.
- Social distancing is recommended, even while masked.
- We have placed hand sanitizer on a table outside the office. Please use the hand sanitizer before entering the office.

### **All Church-Sponsored Events**

- Food sharing must abide by the *Current COVID-19 Status Tier Chart* (see attached).
- Give thought to accessibility inclusiveness (lawns are often not accessible to wheelchair and walker users).
- When inviting participants, be clear about the inclusion or exclusion of small children and others who might find it hard to observe physical distancing.

### **Vaccinations**

- All staff (employees and contractors) must be vaccinated and provide proof of vaccination.
- All volunteers working with children must be vaccinated.
- Vaccinations and booster vaccinations are strongly encouraged for everyone in the congregation who's eligible.
- Requests for exemptions may be made to the Minister for disability, religious, or medical accommodation (See *UUCH Policy and Procedure Manual* for details).
- Anyone required to be vaccinated must maintain their vaccinations per CDC recommendations.

Our top priority in these times is to keep everyone in our community safe and healthy. Please honor our church covenant by abiding by this church policy, and encourage others to do the same. The church staff is empowered to ask anyone to leave our property if they are unable or unwilling to abide by these safety policies.
