## **Brightwell & Moran**

Americana artist Kelly Brightwell and folk-rocker Woody Moran serve up catchy melodies and heartfelt messages with their collection of Eclectic Acoustic folk-rock tunes. This Portland, Oregon-based act has a sound reminiscent of The Civil Wars, Birds of Chicago, and UK band The Shires. They released their first EP under the project name "Radio Stranger" in 2016. Their follow up release scored high marks from Music Connection Magazine in November 2017, and they were included in the year's Best Unsigned Bands. Brightwell & Moran perform as a duo and a full band in the Pacific Northwest region, playing house concerts, listening rooms and festival stages. They are currently looking for licensing and placement opportunities.
